

WGCU PBS Kids is now available in the Southwest Residential Lineups (DAC and HITS) as part of Digital Basic under **Ch. 176**.

QAM in the Clear (Cable straight to TV) customers will have to perform a channel scan on their TV's to pick up the new channel.

Customers with STB/DVR/DTA will have the channel automatically.

Information about the channel as well as program schedule can be found below:
