

Wiggins Bay Foundation Newsletter

October 2025

Welcome Back

Car carriers are appearing in the neighborhood heralding the return of our seasonal residents! We look forward to your return. You will see some signage reminding drivers to slow down. Remember, we have many pedestrians and the speed limit in the community is 15 mph. If we cannot self regulate we will need to consider traffic calming devices. The exit gates will remain closed throughout the year to ensure vehicles come to a complete stop at the intersection. Please be patient and give yourself adequate travel time.

A reminder that tenants must be added to dwellingLIVE as a user. This informs the gate attendant that you have authorized your lessee to be issued a bar code for gate access. Setting them up with their own access also allows them to add their guests into the system. An information sheet is available on our website under Policies.

CONDO FOR RENT

Annual assessment notices will be mailed the first week of November. We have moved up the mailing to avoid notices getting lost in the mail as residents migrate between northern homes and Naples. Note the **assessment is due JANUARY 1** and charges are incurred for payments received after that date.

Recently, Paramount Properties mailed us electronic consent forms. This allows Wiggins Bay Foundation correspondence to be emailed. You can also add additional email addresses so you don't miss any news.

Join us! The Wiggins Bay Foundation Board Meetings are generally held on the 4th Thursday of each month at 10:30am. We are respectful of everyone's time and keep meetings to an hour. Links to the zoom meeting can be found on the WBF website. Meeting minutes can be found there as well. The board appreciates the resident participation and contribution. Add the meetings to your calendar.

In August the WBF Board restarted Summit Broadband restarted conversions. If you have already converted no action is needed. Those still needing to convert have until August 31, 2026, to complete the upgrade without any additional charges.

Tips for a smooth upgrade;

When you call to schedule your appointment, you will be asked for your address, account and PIN number. If you do not know your account or PIN number, you will need to provide at least two of the following pieces of information.

- Last four digits of the invoice number printed on your most recent statement
- Last four digits of your primary method of payment on file
- Account Number
- Email address on file
- Phone Number on file

If you are unable to provide these details you should visit the Summit Broadband office off Old 41 at 1443 Rail Head Blvd. Naples, 34110. Be sure to have ID with your Naples address.

There are 4 ways to schedule an appointment.

1. Phone: 877-678-6648
2. Email: Care@asksbb.com
3. Online Chat: www.summitbb.com
4. Summit Broadband office at 1443 Rail Head Blvd. Naples, 34110

There are more detailed instructions and a list of SBBTV compatible equipment on the wigginsbayfoundation.info website.

Fighting Hunger in Lee & Collier County

In July Wiggins Bay and Tarpon Cove residents joined to pack shelf-stable meals for 700 families at the Meals of Hope warehouse on Mercantile Avenue in Naples. Meals of Hope operates 12 mobile and choice pantries in Lee & Collier counties. Nutritious groceries, fresh produce, protein and shelf-stable meals are distributed to thousands of families.

Learn more at mealsofhope.org

If you are interested in participating in an upcoming meal packing event email Mo Shallcross at shallcross3@gmail.com
