

Greetings to the residents of Wiggins Bay!

On November 15, security services in your community will transition to St. Moritz Security Services. We look forward to establishing a partnership with you, your guests and vendors. We are a high-touch security provider with a national footprint, known for our residential security expertise and an emphasis on customer satisfaction. Our main objective is a smooth transition and the safety of Wiggins Bay residents and guests.

Led by our visionary founder, Phil St. Moritz, we have evolved from a small Pittsburgh-based firm to supporting over 30 offices coast to coast, and nearly 4,000 employees. Although we have an expanding nationwide presence, we have a laser focus on customized local service. Our unwavering goal is to exceed your expectations with our exceptional personnel and innovative technology, led by a tenured management team that focuses on outstanding service delivery.

At St. Moritz Security Services, Inc., our experience spans nearly 40 years, allowing us to offer a truly elite security service that delivers the peace of mind that your community deserves.

We are excited to show you **The St. Moritz Difference** and strive for you to feel safe at home. Also, your patience is most appreciated for the first month as we get to know you and the community. Thanks, and we'll see you soon!

With warmest regards,

**Pat Hurley**

VP of Business Development
